Scholarships will be awarded for any one or a combination of the following factors: financial need, musical merit and promise, desire for personal enrichment, potential benefit to others of applicant's increased knowledge (e.g., through teaching). All else being equal, preference will be given to someone who has not previously attended a summer early music workshop. One full tuition scholarship or two grants of up to \$150, to be applied towards tuition, are available. If you are a member of the Monterey Bay Recorder Society, Sacramento Recorder Society, East Bay Recorder Society, or the American Recorder Society, you should know that scholarships are available from those organizations as well. If you are a member, check with your local chapter to see if it has workshop scholarship assistance available.

Application Procedure: Complete the scholarship application and mail to the address above. The SFEMS Recorder Workshop Scholarship Committee will select recipients. Applicants will be notified by approximately June 15th.
